Hi Ayn and Lisa!

I changed the wording a little bit due to how I ended up having to link the PDF file:

<https://www.epa.gov/region8/pavillion>

Is that OK? And I'll add the other file (the signed letter).

And once I add THAT file, we'll have to change all of the wording ("the documents below," etc). The second file will be ready on the FTP site in hopefully about 15 minutes.

Thanks!
